

Solid Gold Opportunities

Hazen Paper Company is one of the largest paper and paper board converters in North America specializing in film and foil laminations, gravure printing, rotary embossing and precision-matched color coatings.

Inventory Clerk

This position is responsible for performing a variety of tasks associated with the processing and analysis of raw material inventory. Duties include verification and data entry of daily production reports, raw material usage, rejections, damage, waste and returns. In addition, this position investigates and resolves inventory questions and/or problems for manufacturing management.

We require an individual who is detail oriented and well organized and who has solid computer and math skills. Experience in inventory analysis and cost accounting in a manufacturing environment is desired.

We offer competitive compensation, plus profit sharing and an attractive array of benefits. To apply for this immediate career opportunity, please send your resume, with salary requirements, in strict confidence to:
