AT THOMSON & THOMSON

1922-1997

T&T Celebrates 75 Years!

What better way to help celebrate a momentous occasion like a 75th anniversary than with a long-time client.

We recently presented Boston law firm Fish & Richardson with a T&T search ordered in 1922 for the mark "STRONGHOLD". The search was conducted by none other than Henry C. Thomson, who officially founded T&T that same year as the Thomson Research Bureau.

A great big "thank you!" to Fish & Richardson and *all* our clients who have made us partners in fulfilling their trademark needs over the years.

On hand for the ceremony (left to right): T&T Vice President of Sales Tom Mullaney; Charles Winchester of Fish & Richardson; T&T President Bob Christie; Timothy French, Robert Hillman and Donna Weinstein of Fish & Richardson; and T&T Senior Vice President Tom Sisto.
