

Hackers.

Scalpers.

Pirates.

Thieves.

You're Not Alone Out There

**Protect your  
trademark in  
cyberspace.**

Don't go the way of corporations whose long-established trademarks have been "registered for ransom," duplicated, even *ruined* by crooks on the World Wide Web.

Get the protection you need by signing up for the **T&T Domain Name Watch Service**. Enroll by **July 31, 1997**, and your first year's subscription is **25% OFF** the regular yearly rate. A great way to ensure peace of mind.

**Call Thomson & Thomson  
at 800-692-8833  
to enroll.**
